How did your teaching assistant (Juan Yamin Silva) effectively aid your learning in this course?

- His TA session was incredible. His slides were incredibly informative, and he teaches really well. He has been very attentive to every questions! Best TA!!!!
- Juan Yamin Silva was very kind, approachable, and supportive throughout the course. He created a comfortable learning environment where it felt easy to ask questions and seek clarification when needed. His positive attitude and willingness to help contributed to a supportive classroom experience and aided my learning throughout the semester.

What specific advice would you have for Juan Yamin Silva about changes that would enhance your learning?

- One suggestion I would have for Juan Yamin Silva would be to offer more office hours or additional opportunities for students to ask questions outside of class. His support and explanations were very helpful, so having more availability for one-on-one clarification or discussion could further enhance student learning and engagement.
